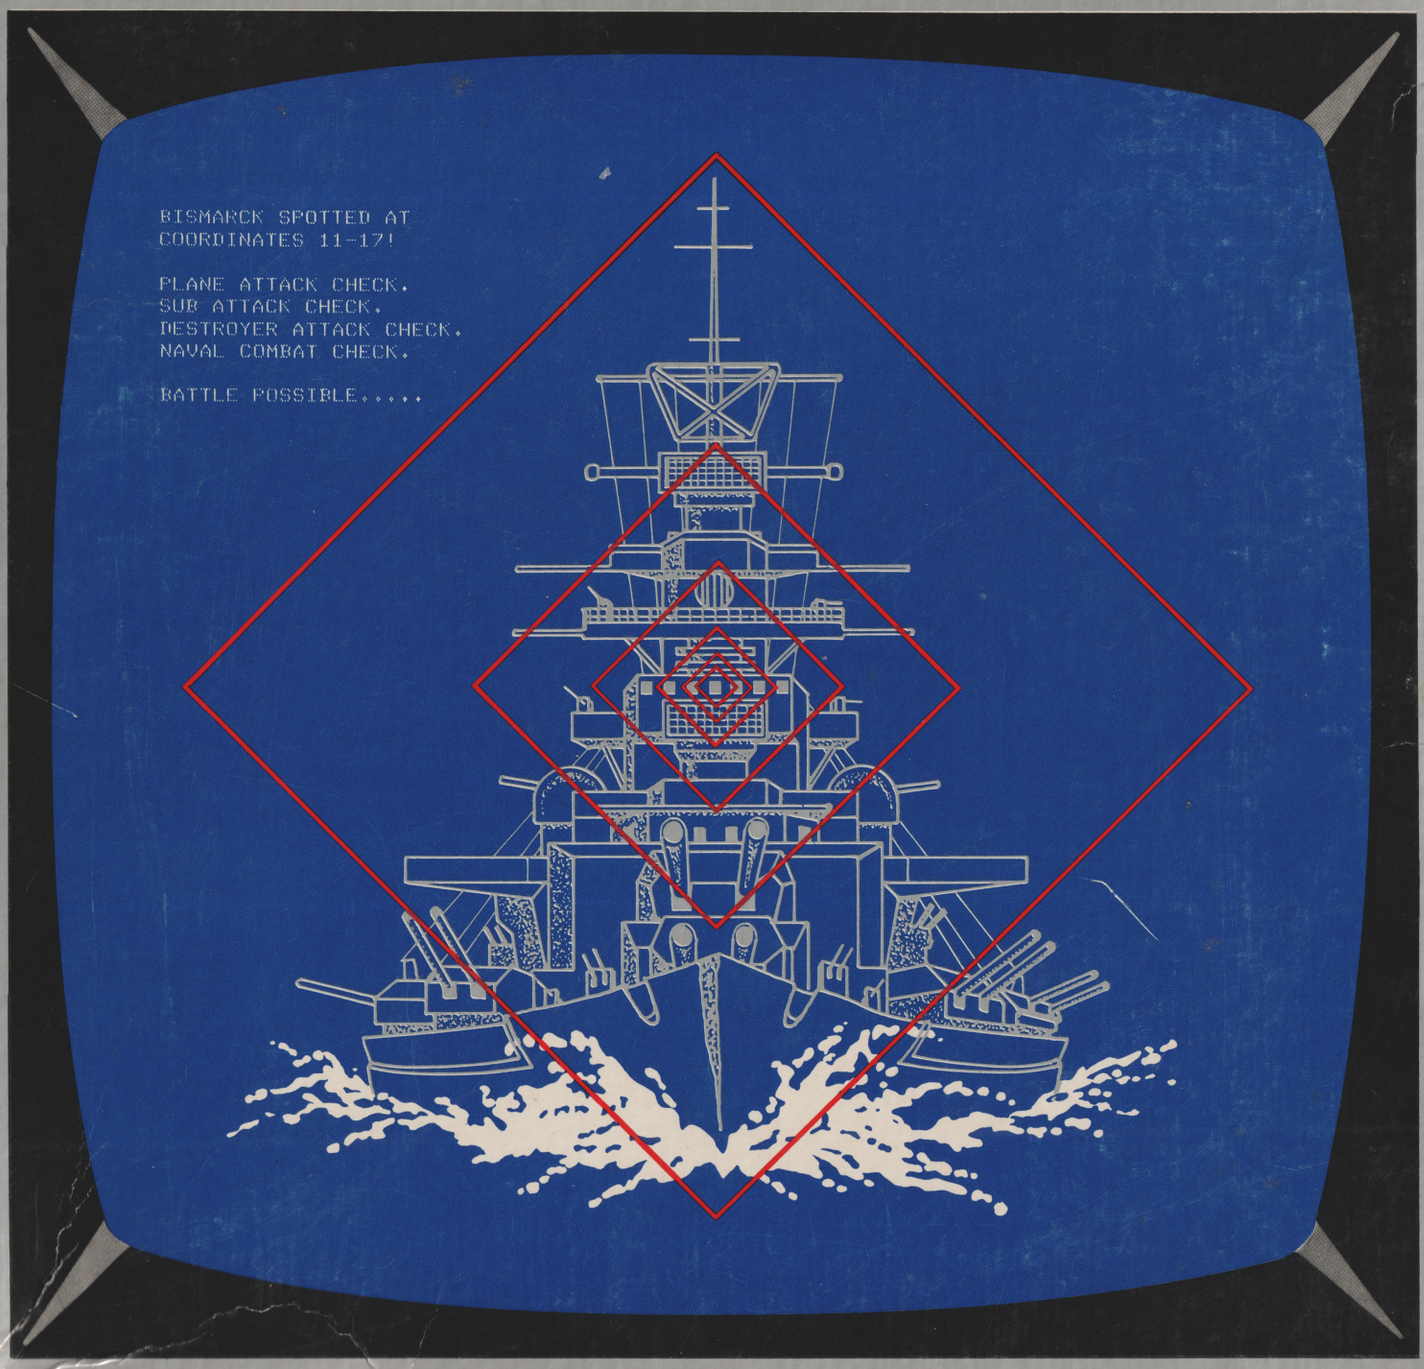
COMPUTER BISMARCK™

A War-game for Your Home Computer



SSI

STRATEGIC SIMULATIONS INC.

TRS-80 VERSION

● Computer-controlled mapboard of the North Atlantic ● Step by step computer-regulated play ● Hidden movement ● Ship vs. ship combat & shadowing ● Historical setup of battleships & cruisers ● Two-player & solitaire versions ● Playing time: 1 to 3 hours.

APPLE VERSION

includes all TRS-80 features plus:

● Submarines, destroyers, & convoys ● Aircraft carriers & land-based aircraft ● Weather & fog ● Fuel restrictions & refueling at sea ● Playing time: 2 to 5 hours.

COMMAND THE BISMARCK and clear the Atlantic of British shipping. With the aid of your trusted wolf-packs, you can destroy the vital Convoys that keep the British war effort alive.

DEFEND THE ATLANTIC CONVOYS and hand the German navy a decisive defeat...But only if you can successfully utilize your aircraft and surface ships to locate, shadow, and sink the **Bismarck**.
